Re: Letter of Recommendation

Dear Ed,

I wanted to write a letter to thank you and your team for all of the hard work that went into making The Ritz a showcase restaurant for us.

Rick McCormack's design is impressive and Slater executed it with a high level of quality.

It was a complicated project made more complicated by challenges that the base building presented. Your team, with your personal help, was able to get us all through all of that. Your ability to focus on the big picture was invaluable.

Please pass along our appreciation to Gene, Harold, Peter and Lawrence, it was not lost on us the personal dedication they had to the project.

Please do not hesitate to have any of your potential clients contact me to so I can give my recommendation to them directly.

Since it is your home town I look forward to seeing you dining at The Ritz often...

Sincerely,

John Sola
President and CEO
