Dear Ed,

I would like to take a moment to thank you personally for allowing our Foundation the use of your barricades and cones for our Catholic Schools Week Kickoff Event on January 29th.

When hosting large gatherings like this, the safety of our guests and supporters is of the utmost importance to the Catholic Education Foundation. Your generous loan helped secure the parking lot at St. Basil's Church, ensuring that our celebration of **160 years of An education that works!** was not only a great success, but also a safe assembly for our students, their families, and local community leaders. We truly could not have done this without you!

By lending your support—and supplies—you have enabled us to cultivate awareness of the CEF through this Kickoff Event. I greatly appreciate your support of our mission and thank you for helping our team make a positive difference in the lives of thousands of deserving children throughout the Archdiocese of Los Angeles.

Sincerely,

Kathleen H. Anderson
Executive Director

You are a blessing! Please know how grateful we are for all you do to support our Catholic schools! ♡

The full amount of your gift to the Catholic Education Foundation is tax deductible. No goods or services were received in exchange for this contribution
