Dear Trish,

I would like to commend the team at Slater Builders Inc. for the professional job they have done on both the work that has been completed and the current work in progress. It is a pleasure to work with such a dedicated, knowledgeable and experienced team of professionals. Slater Builders Inc. has a very clear understanding of the unique situation of dealing with the Church committees for remodeling and renovation projects. Your ability to communicate with the project team members at all levels has keep the projects moving to a successful conclusion. We especially appreciate the way you manage the site logistics avoiding any unplanned disruption to the Church or its parishioners.

My confidence in Slater Builders is based on the honesty, integrity and the outstanding service that is a constant theme within the company. The Diocese of Orange looks forward to continuing this productive business relationship with Slater Builders Inc.

Sincerely,

Joe Novoa
Director of Construction Management Services
