Subject: **Slater Builders**

To Whom It May Concern:

FOUNDING PARTNERS:

The services that they have provided include the construction of new offices and remodeling of existing offices. The construction required electrical, heating and air conditioning, dry wall, framing and flooring. All of their work has been of high quality. They modified their schedule to minimize the disturbance of our employees.

We are confident that once you use Slater builders, you will look to them as we have for all your construction requirements.
